Nicholson Museum, University of Sydney 'Death Magic' Exhibition

Designcase supplied a series of proprietary Vision, Prism, top-hinged Prism and powered vertical rise Prism showcases, along with custom-made showcases, plinths and exhibition furniture. Designcase is an award winning company with extensive expertise in high quality Museum and Gallery fit out projects. We are the Australian and New Zealand distributor for ClickNetherfield showcases and hold the only manufacturing licence for ClickNetherfield outside of Scotland. Designcase are also the sole, local manufacturer of Museum Grade, certified showcases in Australia and New Zealand.
